### Ask for the Moon and Get It By Percy Ross

Are you looking for answers on how to be successful? Have you ever considered that the way to success lies not in knowing all the answers, but in asking the right questions? As a young man from humble beginnings, Percy Ross vowed that if ever he became successful he would use his knowledge to help others. In fact, he became a multi-millionaire and for the past 20 years has been giving away money to those who need it - and who have asked him for it. Full of personal anecdotes and tried and tested advice, this book reveals the secrets of his success, including: the ten basic rules of the art of asking; how to prepare a good case before you ask; making sure you ask the right person; how to encourage others to contribute to your success; and how to help other people achieve success.

### Editorial Review

#### From Library Journal

"I believe that if you ask, and ask in the right way, you can have whatever you want in life." Millionaire Percy Ross has given away thousands of dollars through his syndicated column "Thanks a Million." In reading many requests for aid, Ross has discerned an art of asking that he outlines in his "Ten Rules of Asking." Each of the rules is illustrated by examples from Ross's column and tales from his rags-to-riches story. While the advice given is often simplistic, Ross's philosophy is inspirational and upbeat. For general readers. Mary L. Kirk, Univ. of North Carolina at Wilmington Lib.
