Editorial Review

Review

“...phenomenal in visual appearance... Almost every page in the book contains at least one piece of artwork and a piece of dedicated scripture, all of which is printed perfectly on the highest quality of paper.”—*Inside the Box Reviews*

“While this insight into the backstory of Diablo III is very welcome, at least half the draw of the *Book of Cain* was in its gorgeous illustrations, the sort of images you only find in concept artwork, except more fully fleshed out and featuring a greater degree of detail. *The Book of Tyrael* continues this tradition, and is described as featuring ‘stunning original art throughout.’”—*The Escapist*
