**Old Yeller** By Fred Gipson, Steven Polson

At first, Travis couldn't stand the sight of Old Yeller

The stray dog was ugly, and a thieving rascal, too. But he sure was clever, and a smart dog could be a big help on the wild Texas frontier, especially with Papa away on a long cattle drive up to Abilene.

Strong and courageous, Old Yeller proved that he could protect Travis's family from any sort of danger. But can Travis do the same for Old Yeller?

Actor Barry Corbin gives this classic story of an ugly, yellow stray dog a first-rate reading. Corbin's smooth, even-paced delivery and warm, friendly tone reflect the adventure, fun, and love shared by Old Yeller and 14-year-old Travis, and he thoughtfully communicates the heartbreak that comes when Travis must kill the loyal dog, who has been bitten by a rabid wolf. The abridgment is done well. The plot remains intact. What's missing is a small amount of the narrative that gives a strong sense of early frontier days in the Texas wilderness. This animal story is a good choice for families prepared to cry, as well as to laugh, together.
