Editorial Review

Review

Criminology offers an authoritative introduction to classic and contemporary criminological themes and debates. It is clearly written, accessible and replete with good examples. This textbook will be an indispensable guide to students through the ins and outs of criminology.

?Katya Franko Aas, University of Oslo, Norway

Since its publication in 2007, *Criminology* has firmly established itself as the definitive introduction to the subject. With this second edition, Tim Newburn has significantly updated the volume with new material (e.g. on 'hate crime' and 'green criminology') and included analyses of the most noteworthy criminal(ized) events of the last five years. Lecturers value this book for its comprehensiveness and authority; students appreciate its relevance, accessibility and lively, unpatronizing tone. *Criminology* remains a remarkable achievement by one of the most respected scholars in the field.

?Yvonne Jewkes, Professor of Criminology, University of Leicester, UK

As usual Newburn provides a great overview of the subject area which draws out the key debates. If students wanted to access one resource ... then I would recommend this. Newburn's research is up to date and whilst he provides a good level of information he also directs readers to useful resources and further research so that students can widen the scope of their reading.

?Bernie Heath, University of Portsmouth, UK

About the Author

Tim Newburn is Professor of Criminology and Social Policy and Head of the Social Policy Department, London School of Economics. He is the author or editor of over 35 books, including: *Permission and Regulation: Law and Morals in Post-war Britain* (Routledge, 1991); *The Future of Policing* (with Rod Morgan, 1997); *Private Security and Public Policing* (with Trevor Jones, 1998); *Policy Transfer and Criminal Justice* (with Trevor Jones, 2007); *Handbook of Policing* (2008); and *Key Readings in Criminology* (2009). Tim Newburn is currently writing 'An Official History of Criminal Justice' (with David Downes and Paul Rock) and leads the LSE's involvement in their joint project with the *Guardian* newspaper, *Reading the Riots*.

Users Review

From reader reviews:

Sarah Stiles:

What do you think of book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book Criminology. All type of book could you see on many resources. You can look for the internet methods or other social media.

Suzanne Crider:

The e-book untitled Criminology is the book that recommended to you to study. You can see the quality of the guide content that will be shown to anyone. The language that author use to explained their ideas are easily to understand. The article author was did a lot of research when write the book, so the information that they share for your requirements is absolutely accurate. You also can get the e-book of Criminology from the publisher to make you a lot more enjoy free time.

Robert Music:

Is it you who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This Criminology can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

Adriana Phillips:

Within this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become certainly one of it? It is just simple way to have that. What you should do is just spending your time not much but quite enough to experience a look at some books. One of many books in the top checklist in your reading list is definitely Criminology. This book that is certainly qualified as The Hungry Hills can get you closer in getting precious person. By looking upwards and review this book you can get many advantages.
