Essentials of Contemporary Management with Connect Plus By Gareth Jones, Jennifer George

Jones/George, *Essentials of Contemporary Management* is the concise edition of *Contemporary Management*. Jones and George are dedicated to the challenge of “Making It Real” for students. The authors present management in a way that keeps it relevant to students even if they lack exposure to a “real-life” management context. This is accomplished thru a diverse set of examples and the most popular feature of the text, “*Manager as a Person*” (Ch. 2). This chapter discusses managers as real people with their own personalities, strengths, weaknesses, opportunities, and problems. This theme is carried thru-out the remaining chapters. Discussions take place regarding the importance of *Management Competencies*--the specific set of skills, abilities, and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity, ethics, globalization, and information technology are integrated throughout.

Editorial Review

About the Author

Gareth Jones, Texas A & M University Gareth Jones is a professor in the management department of the College of Business Administration and the Graduate School of Business and Texas A&M University. He is co-author on three other major textbooks, including one on organizational behavior (accolades he shares with **CONTEMPORARY MANAGEMENT** co-author and wife, Jennifer George), one on organizational theory, and a one on strategic management. Jones received his BA & PhD from University of Lancaster, UK. He has taught at University Warwick, Michigan State University, and University of Illinois/ Urbana-Champaign

Jennifer George is a well-published professor as is now the Mary Gibbs Jones Professor of Management in the Jesse H. Jones Graduate School of Business at Rice University. She is co-author of the aforementioned organizational behavior book. She received her BA from Wesleyan University and her MBA & PhD from New York University.

Users Review
