Mobile Marketing For Dummies By Michael Becker, John Arnold

Straightforward advice on building and launching a mobile marketing plan

Mobile communication is hot, and so is marketing on mobile devices. *Mobile Marketing For Dummies* provides a clear and easy path for creating, launching, and making the most of a mobile marketing program. Designed for marketing professionals and other business people who may have little experience with the medium, it explains mobile marketing and how to convert a traditional marketing plan to mobile. Topics include assembling resources and budget, creating a plan, following best practices, building mobile sites, and much more.

- Explains what mobile marketing is, how you can adapt a traditional marketing plan for mobile, and how to create and launch a mobile marketing plan from scratch
- Covers activating a plan using voice, text, e-mail, and social media campaigns
- Explores the nuts and bolts of building mobile sites, apps, monetizing mobile, and advertising on other mobile properties

Mobile Marketing For Dummies gives you the tools to succeed in this exciting environment.

Editorial Review

From the Back Cover

With mobile, you can put your marketing message right into your prospect's hands

Marvelous mobile — perhaps the most personal and targeted marketing channel ever! You want to be sure your business is promoted on mobile devices, and this book gets you going in more ways than one. Discover the opportunities, learn the strategies, and find out how to deliver your message to your prospects, wherever they may be!

- This thing called mobile — find out where mobile fits into your marketing plan and how to comply with the laws and regulations
- Strategically speaking — develop a strategy and select partners to help you carry it out
- In a word — build a solid foundation for sending text and multimedia messages and learn to design e-mails for mobile screens
- What a site — get the scoop on building effective Web sites for mobile devices
- Mobile moneymaker — generate income with mobile apps and advertising
- Talk to them — enable marketing campaigns that take advantage of the mobile phone's most used yet most overlooked feature: voice
- Buy and buy — learn to enable monetary transactions via mobile devices
- Track your success — use mobile marketing analytics to see if your strategy is working

Open the book and find:

- Five elements of mobile marketing
- Valuable tips on how to engage your customers
- How to map out your mobile marketing strategy
- What a short code is and when you need one
- Marketing advantages of mobile apps
- How to take advantage of mobile social media
- What you need to know to evaluate ROI
- Ten mobile marketing resource centers

Learn to:

- Understand the mobile world and mobile marketing best practices
- Plan your mobile marketing strategy
- Launch a campaign including voice, text, e-mail, and social media
- Mobile-enable your marketing and establish direct customer contact

Users Review

From reader reviews:

Jaleesa Greenwood:

Within other case, little folks like to read book Mobile Marketing For Dummies. You can choose the best book if you appreciate reading a book. Providing we know about how is important the book Mobile

Marketing For Dummies. You can add knowledge and of course you can around the world by a book. Absolutely right, simply because from book you can understand everything! From your country till foreign or abroad you will find yourself known. About simple factor until wonderful thing you could know that. In this era, you can open a book as well as searching by internet unit. It is called e-book. You can utilize it when you feel weary to go to the library. Let's examine.

Roberto Reyes:

Nowadays reading books become more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want truly feel happy read one with theme for entertaining like comic or novel. The Mobile Marketing For Dummies is kind of publication which is giving the reader unstable experience.

Maria Green:

Precisely why? Because this Mobile Marketing For Dummies is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the publication store hurriedly.

Dorothy Alvarez:

Do you really one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you find out the inside because don't judge book by its protect may doesn't work is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer can be Mobile Marketing For Dummies why because the wonderful cover that make you consider with regards to the content will not disappoint you. The inside or content will be fantastic as the outside or cover. Your reading 6th sense will directly assist you to pick up this book.
