From America's foremost chess teacher and author comes a new standard: a comprehensive course covering all aspects of the game, to improve your technique whether you are a newcomer or a longtime fan.

One of America's best-known chess masters, Bruce Pandolfini has helped millions learn the intricacies of chess through his acclaimed books and workshops. In this exciting volume, he presents a complete overview of the entire game and its culture. Structured as a dialogue between a beginning student and an expert teacher, *Pandolfini's Ultimate Guide to Chess* takes the student step-by-step from fundamentals to advanced, highly strategic play. Combining easy-to-follow diagrams with trenchant and up-to-date analysis, Pandolfini puts a new twist on accepted chess theory, offering a seamless beginning-to-end approach, including:

- a short introductory history of the game
- the moves, rules, and contemporary notation forms
- the basic principles of chess
- how to develop an opening repertoire
- the art of tactical play
- pattern recognition and memory aids
- traps and pitfalls to be avoided
- middlegame play, strategy, and planning
- defense and counterattack
- transitions to the endgame and the endgame itself
- computers and the future of chess
- the best websites for playing chess online

With Pandolfini's expert insight into the history and modern world of chess, as well as several appendices to enhance play and appreciation, *Pandolfini's Ultimate Guide to Chess* makes the perfect gift for players of all ages and will be the benchmark title for chess players for years to come.
