Rock & Roll Comics: Led Zeppelin (Rock N Roll Comics) By Spike Steffenhagen, Jay Allen Sanford

The Led Zeppelin saga is one of the wildest in rock history, and this graphic novel pulls no punches in dramatizing the backstage, behind-the-scenes story. From their early days as the New Yardbirds on through their rise to superstardom (and controversy), all five issues of the original Rock 'N' Roll Comics series are collected in one rockin' volume, with art by Scott Pentzer (Razor), Marshall Ross (Deepest Dimension), David Neer (Sports Superstars), Francois Escalme (Frank Zappa: Viva La Bizarre), and others. This collection also includes updated material, bringing the saga up to 2010.

Editorial Review

Review

Revolutionary Comics publisher Todd Loren and I spent years buying stacks of old rock magazine and books, tearing them up to create an archive of band files that eventually filled ten four-drawer cabinets.

JAY ALLEN SANFORD: They seem to be following in Revolutionary Comics' footsteps by producing reality-based comics for markets outside comic shops, and I've probably worked on more such comics than anyone alive.

Obviously, the moment we discovered the existence of this gem, we needed to have it. Good Reads

About the Author

Spike Steffenhagen is a famed writer of everything music from KISS to Pink Floyd. He lives in San Diego, CA.

Users Review

From reader reviews:

Geraldine Noll:
