### Schindler's List By Thomas Keneally

The acclaimed bestselling classic of Holocaust literature, winner of the Booker Prize and the Los Angeles Times Book Award for Fiction, and the inspiration for the classic film—“a masterful account of the growth of the human soul” (*Los Angeles Times Book Review*).

A stunning novel based on the true story of how German war profiteer and factory director Oskar Schindler came to save more Jews from the gas chambers than any other single person during World War II. In this milestone of Holocaust literature, Thomas Keneally, author of *Daughter of Mars*, uses the actual testimony of the *Schindlerjuden*—Schindler’s Jews—to brilliantly portray the courage and cunning of a good man in the midst of unspeakable evil.

## **Editorial Review**

From Publishers Weekly

A mesmerizing novel based on the true story of Oskar Schindler, a German industrialist who saved and succored more than 1000 Jews from the Nazis at enormous financial and emotional expense.

Copyright 1992 Cahners Business Information, Inc.

From Library Journal

How the German Oskar Schindler came to save more than one thousand Polish Jews during the Holocaust is one of the most fascinating stories of the century. Although millions are now learning about Schindler through Steven Spielberg's recent Academy Award-winning film, his achievement first gained prominence with Keneally's 1982 "fictitious" novel (which is also the basis for the film). Keneally's account is less melodramatic than the motion picture, and although he does not fully explain how a hedonistic German could have been so altered by the plight of the Jewish workers in his factory, he does make Schindler less enigmatic than the big-screen version. Ben Kingsley, one of the film's stars, reads in a calculatedly matter-of-fact tone, letting the story's power alone convey its complicated emotions. Highly recommended.

*Michael Adams, Fairleigh Dickinson Univ. Lib., Madison, N.J.*

Review

"An extraordinary tale...no summary can adequately convey the stratagems and reverses and sudden twists of fortune...A notable achievement." (*New York Review of Books*)

"An astounding story...in this case the truth is far more powerful than anything the imagination could invent." (*Newsweek*)

"A truly heroic story of the war and, like the tree planted in Oskar Schindler's honor in Jerusalem, a fitting memorial to the fight of one individual against the horror of Nazism." (Simon Wiesenthal)

## **Users Review**

**From reader reviews:**

**Charline Fendley:**

Within other case, little people like to read book Schindler's List. You can choose the best book if you'd prefer reading a book. Given that we know about how is important some sort of book Schindler's List. You can add information and of course you can around the world by the book. Absolutely right, because from book you can learn everything! From your country until finally foreign or abroad you may be known. About simple thing until wonderful thing you may know that. In this era, we can open a book or even searching by internet system. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's study.

**Gayle Stalder:**

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or their particular friends. Usually they performing activity like watching television, likely to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Will you something different to fill your current free time/ holiday? Could be reading a book may be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to try look for book, may be the e-book untitled Schindler's List can be excellent book to read. May be it can be best activity to you.

**Raymond Smith:**

This Schindler's List is great guide for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great plan word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but challenging core information with lovely delivering sentences. Having Schindler's List in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no guide that offer you world with ten or fifteen small right but this publication already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt that?

**Elizabeth Acker:**
