**Shaman (The Cole Trilogy Book 2) By Noah Gordon**

***Shaman is the prize-winning second volume of Noah Gordon's celebrated Cole trilogy. It is as great a reading experience as *The Physician*. A New York Times Notable Book.***

Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives, makes an exceptional reading experience.

### Editorial Review

From Publishers Weekly

In the New World, young Scottish physician Rob J. Cole seeks the justice and tolerance that seemed missing in the Old. But in Boston in 1839, where he assists surgeon Oliver Wendell Holmes, he finds the same mixture of altruism and evil that informs all human pursuits. Joining the Union Army in civilian service, Rob J. moves to the wilderness of Illinois. Gordon ( *The Rabbi* ) deftly employs Rob J.'s diary, which is read by his son Shaman, also a doctor, after his father's death, to reveal the Coles's early family years. In doctoring and sheep farming, Rob J. builds a worthy life, marrying the beautiful and haunted Sarah. While dealing sensitively with Sarah's jealousy of his Indian soulmate, the female shaman Makwa-ikwa, and with Shaman's deafness, Rob J. often escapes into the demands and rewards of his practice. The search for Makwa-ikwa's murderer raises such issues as racial injustice, religious prejudice and pacifism. In serviceable, if curiously unemotional prose, Gordon tells a quietly absorbing story that should please a wide audience. Literary Guild alternate.

From Kirkus Reviews

Gordon (The Physician, The Jerusalem Diamond, etc.) offers two fictionalized generations of doctoring on the Illinois frontier from 1839 to 1865, covering such medical history as the advent of hygiene and anesthesia. Rob J. Cole, political agitator in Scotland facing banishment to Australia, decides to migrate to the US. A doctor, he lands in Boston and can find work only in the Irish ghetto, making hovel calls for a charity. Disillusioned with the politics of the charity and intrigued with Indians, he heads west, stopping in Illinois at Holden's Crossing. Rob finds his Indians in the Sauks, who have fled the reservation and are now starving nearby. He treats and feeds them, becoming their ``white shaman," and eventually Makwa- Ikwa, their healer, goes to work with him. He travels the countryside, snipping off fingers and enlisting household help to pinch off spurting arteries. He removes kidney stones from a recluse named Sarah, who has holed up because she thinks she's dying from cancer. After he removes the stones, she blooms, and they marry. Sarah gives birth to a boy, and Makwa tags him ``Little Shaman." At age five, Shaman develops scarlatina and loses his hearing, a disability that makes his road to a medical practice difficult. Both father and son end up doctoring during the Civil War, the carnage of which is graphically described. The story moves too fast to develop either characters or scenes deeply, but it's a good read and has a refreshing approach to the frontier as part of a larger culture, not an isolated place where people did nothing but murder each other. -- *Copyright ©1992, Kirkus Associates, LP. Review

“What a book! It’s a joy to read. Noah Gordon has given those of us who like good, strong, warm-hearted novels a wonderful gift.” —Tony Hillerman

“A good read, and a refreshing approach to the frontier.” —*Kirkus Reviews*

“A sweeping historical drama . . . described with precision and unflinching verisimilitude. Gordon writes with the skill and patience of a good doctor . . . powerful.” —*The New York Times Book Review*

“Brilliant . . . a picture of America in the grip of expansionist fever and the Civil War.” —*Library Journal*

“A rich, sensitive, and inspiring portrait of our collective past in all its majesty . . . a thinking person’s Western . . . an alive and vibrant epic tapestry of America’s adolescence.” —*The Press-Enterprise*

Oh come on, that won't happen if you have this in your hand. The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss that? Find this book and also read it from today!

#### Maria Antoine:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Shaman (The Cole Trilogy Book 2) can make you really feel more interested to read.

#### Jose Lloyd:

Book is one of source of information. We can add our information from it. Not only for students but native or citizen have to have book to know the up-date information of year to be able to year. As we know those guides have many advantages. Beside we add our knowledge, can bring us to around the world. By the book Shaman (The Cole Trilogy Book 2) we can take more advantage. Don't one to be creative people? To become creative person must choose to read a book. Simply choose the best book that appropriate with your aim. Don't always be doubt to change your life by this book Shaman (The Cole Trilogy Book 2). You can more pleasing than now.
