The Doppelgänger: Double Visions in German Literature By Andrew J. Webber

Ever since its literary coinage in Jean Paul's novel, *Siebenkä* (1796), the concept of Doppelgänger has had significant influence upon representations of the self in German literature. This study charts the development of the double from its origins in the Romantic period, through its more marginal, but nonetheless significant, manifestations in the post-Romantic culture, to its revival at the fin-de-siècle and transfer to the silent screen.

Editorial Review

Review

"...the book is a significant contribution to the Doppelganger scholarship and an invaluable source of bibliographical information on the topic"--Heide Witthoft, *Virginia Polytechnic Institute and State University*

From the Back Cover

Ever since its literary coinage in Jean Paul's novel, *Siebenkas* (1796), the concept of the Doppelganger has had a significant influence upon representations of the self in German literature. This study charts the development of the double from its hey-day in the Romantic period, through its more marginal but nonetheless significant - manifestations in post-Romantic culture, to its revival at the fin-de-siecle and transfer to the silent screen. The book features an introduction to the various practices and theories of the Doppelganger, with particular reference to psychoanalysis, followed by chapters on Jean Paul, Hoffmann, Kleist, Poetic Realism (Droste-Hulshoff, Keller, Storm) and Modernism (Kafka, Rilke, Hofmannsthal, Schnitzler, Meyrink, Werfel). Focusing in particular on the effects of the double in the fields of vision and language, this study shows that this often underestimated figure may provide a model for the epistemological, aesthetic and psychosexual structures of the texts it visits and revisits.

About the Author

Andrew J. Webber is at Churchill College, Cambridge.

Users Review

From reader reviews:

Todd Crain:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite publication and reading a publication.
