About the Author

Who is this Braddock guy? I have a confession to make. I hate “Phone Game.” I used to think it was a necessary evil – if you don’t take a woman home the same night you meet her, you have to phone her and get her out on a date. Admittedly, I got pretty good at it anyway. The best in the world, if you believe what people write about me. And then Braddock came along. Braddock is a guy who couldn’t get a date a few years ago, until he found Love Systems. In his words, “I read every Love Systems book. I listened to every audio. I soaked up all the knowledge I could, and I practiced. A lot.” It paid off. He became so successful with beautiful women that he got ranked among the top 10 pick up artists in the world. He was invited to join Love Systems as an instructor – an elite honor for the world’s top pick up artists only. Braddock saw that the game was changing, so he spent a year and a half recording, studying, and testing thousands of phone calls and text (sms) conversations. He’s found the “glitches in the matrix.” He’s used all the shortcuts. In short, he’s proven that what used to be an annoying necessity can actually be an amazingly powerful tool to pick up beautiful women – all building on the internationally successful Love Systems approach to picking up women.
