Wolf by Wolf By Ryan Graudin

Her story begins on a train.

The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo.

Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move.

But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission?

From the author of *The Walled City* comes a fast-paced and innovative novel that will leave you breathless.

Editorial Review

From School Library Journal

Gr 8 Up—What if Hitler and the Axis powers had won World War II? Part alternative history, part spy novel, and part coming-of-age tale, this work is most of all the story of Ya-el, a young woman who escaped the horrors of a concentration camp but could not escape being changed forever by Nazi experimentation. Ya-el is a shape-shifter, assuming other people's appearances with ease. As a resistance fighter, Ya-el is given a critical mission: assume the identity of motorcycle racing champion Adele Wolf and compete in the Axis Tour. She must win the race and assassinate Hitler at the victory dance. However, she doesn't count on Felix, Adele's brother, accompanying her. Ya-el struggles against the grueling race course, her competitors, and the nightmares of her past as she seeks to win the race and set off a revolution. Can Ya-el keep the secret of her true identity? And how did she develop the abilities that enable her deadly mission? These questions are answered by flashbacks interspersed throughout. While potentially confusing, the chronological shifts are well-integrated. Graudin's prose is artful and addictive. The ending feels rushed, crying out for the likely sequel. VERDICT Recommended for those who enjoy historical fiction with a dose of fantastical science.—Kelly Kingrey-Edwards, Mirus Academy Library, TX

Review

An Amazon Best Book of the Year

A Huffington Post Top Ten YA Book of the Year

"Wild and gorgeous, vivid and consuming. I loved it! I can't wait for the sequel."?Laini Taylor, *New York Times* bestselling author of the *Daughter of Smoke & Bone* trilogy

"A haunting portrayal of one girl's courage in the face of a vicious world. I was racing along with Yael until the book's heart-pounding conclusion. A triumph."?Megan Shepherd, author of *The Madman's Daughter*

"Ryan Graudin opens one of the darkest chapters in history and spins a what if into an incredible tale of survival, identity, and purpose. This is the kind of book you can't put down, and the kind that follows you long after you have. It is, quite simply, a masterpiece."?Victoria Schwab, author of *The Archived* series

"The rush of an action movie combined with a flawlessly executed history, this is the book I've been waiting for. I loved *WOLF BY WOLF*, and I'm not speaking to my friends till they've read and loved it too."

?Jackson Pearce, author of *Sisters Red* and *Tsarina*

"*WOLF BY WOLF* completely immerses the reader in a story they'll never forget. Filled to the brim with tension and intrigue, nonstop action, and a vivid cast of characters, you'll feel every bump in the road they ride. I simply couldn't stop reading--and wherever Ryan Graudin rides next, I'll follow."

?Amie Kaufman, *New York Times* bestselling author of *These Broken Stars*

"We loved Yael's poignant flashbacks and the heart-pounding adrenaline of the race and her mission. This is WWII meets *X-men* meets *The Hunger Games* on motorcycles, with a kickass heroine and cute

guys.?Justine Magazine

* "Graudin (*The Walled City*) crafts another fast-paced, enthralling tale of sacrifice and dogged determination as she fuses alternate history and spy-thriller suspense. A provocative rumination on self-preservation, the greater good, and the boundaries that keep heroes from becoming as cruel as those they fight."?Publishers Weekly (starred review)

* "Beyond its breath-taking climax, the novel provokes deeper questions about the 'moreness' Yael begins to see in her competitors' identities, and in her own."?VOYA (starred review)

"Graudin's prose is artful and addictive."?School Library Journal

"Alternate histories can be risky gambits, but in Graudin's capable hands, it pays off in spades. Yael is a compelling protagonist, both strong and flawed, and, even imbued as it is with sci-fi elements, seeing both WWII and the concentration camp experience through her eyes is a terrifying adventure."?Booklist

"With this complex and well-crafted mix of action, emotion, and alternate history, Graudin provides something new and notable for readers of historical and dystopian fiction."?The Bulletin

"Give this to fans of espionage novels, and strong female protagonists; some dystopian fans may even take to the resistance storyline."?School Library Connection

About the Author

Ryan Graudin was born in Charleston, South Carolina with a severe case of wanderlust. When she's not traveling, she's busy writing and spending time with her husband and wolf dog. She is also the author of the All That Glows series, *The Walled City*, and *Wolf by Wolf*.

Users Review

From reader reviews:
