From the Back Cover

The scorching finale to the internationally bestselling series bound to thrill fans of *Fifty Shades of Grey*

Emerging from sexual captivity, psychologist Alexandra Blake is feeling a sense of empowerment—along with a strange mix of fear and exhilaration. She holds the key to the cutting-edge aphrodisiac drugs so desperately sought by both her abductors and her lover, Dr. Jeremy Quinn. But in order to unlock the secrets within her, she must now embark upon a quest to explore ancient erotic rituals. After all she's been through, Alexandra thought she'd experienced pleasure at its most extreme. She was wrong.

In the stunning conclusion of the Avalon trilogy, Alexandra will reconcile her past and her future, discovering the true purpose behind the role she was always destined to play.
