**Echoes in the Darkness** By Joseph Wambaugh

On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's "Main Line." Her two children had vanished. The Main Line Murder Case burst upon the headlines--and wasn't resolved for seven years. Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town. The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradfield--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. How these two men are connected, how the brilliant murder was carried off, and how the investigators closed this astounding case makes for Wambaugh's most compelling book yet.

### Editorial Review

#### From Publishers Weekly

The bizarre, seven-year-long case of an Upper Merion, Pa., high school teacher, Susan Reinert, found murdered in 1979, and her two missing children receives masterful treatment from police novelist Wambaugh, who is now building a reputation as a true-crime writer. He shows the dead teacher's lover, colleague and beneficiary of her insurance policiesamounting to about \$750,000to have been a superficial intellectual, able to dazzle impressionable high school students and to gather around himself a coterie of naive and trusting neurotics. There is no doubt in the author's mind that William Bradfielda Pied Piper of the chronologically adult but psychically underdevelopedcommitted the crime in concert with the former principal of the school, Jay Smith, whom he portrays as a sociopath. The skein of murder is highly complex, but Wambaugh unravels it superbly. 150,000 first printing.

#### From Library Journal

Wambaugh's latest is a true murder story in an unlikely setting: an upper middle-class suburban Philadelphia high school. English teacher Susan Reinert and her two children were the victims of a bizarre conspiracy hatched by her colleague William Bradfield and her former principal Jay Smith. Both men were convicted after a seven-year investigation. The case is also the subject of Loretta Schwartz-Nobel's *Engaged to Murder* ( LJ 2/1/86). However, Wambaugh's account is preferable. Where Schwartz-Nobel seems perplexed by Bradfield's character, Wambaugh convincingly identifies the guilty men's motives as sociopathic. Also, Wambaugh is a master of the crime genre and he deftly handles the twists and turns of the intricate plot.

Recommended. Gregor A . Preston, Univ. of California Lib., Davis
