### Pandemonium (Delirium Trilogy) By Lauren Oliver

The second book in Lauren Oliver's *New York Times* bestselling trilogy about forbidden love, revolution, and the power to choose. Now with a brand-new cover and an exclusive-to-this-book sneak peek at her next novel for teens: the ambitious, wholly original masterwork *Replica*.

In this electrifying follow-up to *Delirium*, Lena is on a dangerous course that takes her through the unregulated Wilds and into the heart of a growing resistance movement. This riveting, brilliant novel crackles with the fire of fierce defiance, romance, and the sparks of a revolution about to ignite.

### Editorial Review

#### Review

“From the grief-stricken shell of her former self to a nascent refugee and finally to a full-fledged resistance fighter, Lena’s strength and the complexity of her internal struggles will keep readers up at night.” (Kirkus Reviews (**starred review**))

“This is a romance in the purest of senses, where just the longing for the faintest taste of love is worth the greatest of risks. Like all successful second volumes, this expands the world and ups the stakes, setting us up for the big finale.” (Booklist)

“After this second book, fans of Oliver and of dystopian fiction will be clamoring for the final installment of the trilogy.” (Voice of Youth Advocates (VOYA))

“If...you crave the heart-stopping action of the arena from The Hunger Games combined with a destined-to-be-doomed love story then this sequel is perfect for you!” (Seventeen.com)

“Following directly on the heels of Delirium, Pandemonium is equally riveting. The underlying theme that love will win out regardless of prohibition is a powerful idea that will speak to teens.” (School Library Journal)

“The gasp-worthy final page sets the stage for a promising conclusion to this trilogy.” (Bulletin of the Center for Children’s Books)

Praise for Delirium: “In [Oliver’s] dystopian America, love has been outlawed as the life-threatening source of all discord. Lena’s gradual awakening is set against a convincing backdrop of totalitarian horror. The abrupt ending leaves enough unanswered questions to set breathless readers up for volume two of this trilogy.” (Kirkus Reviews (**starred review**))

Praise for Delirium: “Strong characters, a vivid portrait of the lives of teens in a repressive society, and nagging questions that can be applied to our world today make this book especially compelling and discussable.” (School Library Journal (**starred review**))

Praise for Delirium: “Oliver’s deeply emotional and incredibly well-honed prose commands the readers’ attention and captures their hearts. With a pulse-pounding tempo and unforeseen twists and turns, Lauren Oliver has opened the door on a fantastic new series; the second book can’t come soon enough.” (New York Journal of Books)

Praise for Delirium: “In a thick climate of fear, Oliver spins out a suspenseful story of awakening and resistance with true love at its core.” (The Horn Book)

Praise for Before I Fall: “Oliver’s debut novel is raw, emotional, and, at times, beautiful....readers will love Samantha best as she hurtles toward an end as brave as it is heartbreak.” (Publishers Weekly (**starred review**))

Praise for Before I Fall: “Samantha’s attempts to save her life and right the wrongs she has caused are precisely what will draw readers into this complex story and keep them turning pages until Sam succeeds in

living her last day the right way.” (Voice of Youth Advocates (VOYA) (**starred review**))

Praise for Before I Fall: “Oliver, in a pitch-perfect teen voice, explores the power we have to affect the people around us in this intensely believable first novel...This is a compelling book with a powerful message and should not be missed.” (ALA Booklist)

Praise for Before I Fall: “This story races forward, twisting in a new direction every few pages, its characters spinning my emotions from affection to frustration, anger to compassion. You’ll have no choice but to tear through this book!” (Jay Asher, author of the New York Times bestseller *Thirteen Reasons Why*)

Praise for Before I Fall: “Before I Fall is smart, complex, and heartbreakingly beautiful. Lauren Oliver has written an extraordinary debut novel about what it means to live—and die.” (Carolyn Mackler, author of *Tangled* and *The Earth, My Butt, and Other Big Round Things*, a Printz Honor book)

#### About the Author

Lauren Oliver is the cofounder of media and content development company Glasstown Entertainment, where she serves as the president of production. She is also the *New York Times* bestselling author of the YA novels *Replica*, *Vanishing Girls*, *Panic*, and the Delirium trilogy: *Delirium*, *Pandemonium*, and *Requiem*, which have been translated into more than thirty languages. The film rights to both *Replica* and Lauren's bestselling first novel, *Before I Fall*, were acquired by AwesomenessTV; *Before I Fall* has been made into a major motion picture.

Her novels for middle grade readers include *The Spindlers*, *Liesl & Po*, and the Curiosity House series, co-written with H. C. Chester. She has written one novel for adults, *Rooms*.

A graduate of the University of Chicago and NYU's MFA program, Lauren Oliver divides her time between New York, Connecticut, and a variety of airport lounges. You can visit her online at [www.laurenoliverbooks.com](http://www.laurenoliverbooks.com).

## Users Review

### From reader reviews:
