Penguin Great Loves Magnetism By F Scott Fitzgerald

Film star George Hannaford oozes charm. Although women fall at his feet, his marriage is the most solid in the movie business. But when he sees his wife staring into another man's eyes and returns home to a blackmailer demanding fifty thousand dollars, he begins to doubt everything. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love...

Editorial Review

About the Author

F.Scott Fitzgerald (1896-1940) was born in St Paul, Minnesota. He is regarded as one of the greatest American writers of the twentieth century. He was said to have epitomised the Jazz Age, which he himself defined as 'a generation grown up to find all Gods dead, all wars fought, all faiths in man shaken'. In 1920 he married Zelda Sayre. Their traumatic marriage and subsequent breakdowns became the leading influence in his writing. Among his publications were five novels, *This Side of Paradise*, *The Great Gatsby*, *The Beautiful and the Damned*, *Tender is the Night* and *The Last Tycoon* (his last and unfinished work); six volumes of short stories and *The Crack-Up*, a selection of autobiographical pieces.

Users Review

From reader reviews:

Daniel Gutierrez:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each e-book has different aim as well as goal; it means that guide has different type. Some people truly feel enjoy to spend their the perfect time to read a book.
