## **Editorial Review**

### **From Publishers Weekly**

Generations after the events in *The Wishsong of Shannara*, the most recent volume in Brooks's bestselling series, grave danger once again threatens the Four Lands. The Federation has conquered Callahorn, the other free men and the Dwarves, forbidding the practice of magic. The Druids and Elves have disappeared, and Shadowenspelling OK? Yes sss, wraiths who suck out the lives and substance of other living things and take their forms, cast their dark influence everywhere. The ghost of the Druid Allanon summons three Ohmsfords, descendants of the protagonists of the earlier series, and gives each a quest to save their land. Par Ohmsford, who has inherited his family's gift of the wishsong, is told to find the long-lost Sword of Shannara. His uncle, recluse Walker Boh, is charged to find Paranor, the lost keeper?? of the Druids, and to restore the ancient order. Par's cousin, half-Rover Wren Ohmsford, is sent to bring back the Elves. In this first volume of a new series, the scions of Shannara--Par, his brother Collboth and friend Morgan Leah, the leader of the Dwarfish underground, Steff; and the leader of the human Movement, Padishar Creel--encounter danger and death in their quest for the? the Sword. ### **From School Library Journal**

In the long-awaited continuation of the Shannara fantasy trilogy (Ballantine), Brooks takes readers 300 years beyond the death of Allanon. The Four Lands have sadly changed. The Federation rules with an iron fist, and the land is plagued by horrible creatures known as Shadowen. Par Ohmsford, descendent of the fabled Shea and possessor of the magic of the wishsong, along with two other Scions, is challenged to save the Four Lands. Brooks weaves an action-packed tale set against a richly detailed fantasy world, and readers will be quickly drawn into this survival adventure. The main characters are well developed, and the tale is sprinkled with many interest-generating elements: romance, suspense, magic, and evil vs. good. Readers unfamiliar with the first trilogy will not have any difficulty with this volume, for Brooks clearly sets the stage and gives plenty of historical background. The book ends with a cliffhanger; teens will be clamoring for the sequel. A well-written fantasy epic. --Barbara A. Lynn, National Library Consultant, Econo-Clad Books, Topeka, KS

### **From Library Journal**

Three hundred years after the death of the druid Allanon, a sinister Federation rules the Four Lands. Dark creatures stalk a countryside now bereft of magic--except for the "wishesong" magic of young Par Ohmsford, the final hope of a troubled world. Brooks ("The Magic Kingdom of Landover" series) revisits the world of his earlier Shannara trilogy for a reawakening of the continual struggle between good and evil. Engaging characters and a solid grasp of the art of storytelling enliven this traditional epic fantasy. Recommended.

## **Users Review**

### **From reader reviews:**

#### **Ricardo Boddie:**

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for

us to learn everything in the world. Each e-book has different aim as well as goal; it means that book has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby is reading a book. How about the person who don't like reading a book? Sometime, person feel need book if they found difficult problem or perhaps exercise. Well, probably you should have this *The Scions of Shannara (Heritage of Shannara, Book One) (The Heritage of Shannara)*.

**Lori Gravitt:**

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They must answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this specific *The Scions of Shannara (Heritage of Shannara, Book One) (The Heritage of Shannara)* to read.

**Danilo Ernest:**

Is it anyone who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This *The Scions of Shannara (Heritage of Shannara, Book One) (The Heritage of Shannara)* can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

**Rebecca Goza:**

A number of people said that they feel fed up when they reading a e-book. They are directly felt the item when they get a half regions of the book. You can choose the actual book *The Scions of Shannara (Heritage of Shannara, Book One) (The Heritage of Shannara)* to make your current reading is interesting. Your current skill of reading proficiency is developing when you just like reading. Try to choose easy book to make you enjoy to read it and mingle the idea about book and reading especially. It is to be very first opinion for you to like to open up a book and study it. Beside that the reserve *The Scions of Shannara (Heritage of Shannara, Book One) (The Heritage of Shannara)* can to be your new friend when you're feel alone and confuse with what must you're doing of their time.
