**Belieber!: Fame, Faith and the Heart of Justin Bieber** By Cathleen Falsani

Justin Bieber's rise from "regular kid" to one of the most famous people on the planet has captivated a nation of devoted fans called "Beliebers." With hit records, 33 million followers on Twitter and the third-largest grossing documentary film of all time, the 18-year-old Canadian pop star dubbed "Super Boy" on Rolling Stone's recent cover has countless fans who hang on his every word. But is there more to this pop idol's startling success than his legendary haircut and unusual talent? "The success I've achieved comes ... from God," Bieber says "I feel I have an obligation to plant little seeds with my fans. I'm not going to tell them, 'You need Jesus,' but I will say at the end of my show, 'God loves you.'" The bold yet humble faith that grounds Bieber's worldview may just be the key to his extraordinary appeal. Recognizing that music and film are the language of this new generation, author and religion journalist Cathleen Falsani's hope is that this book will encourage faith leaders as well as parents to engage with popular culture in a different way so they can better talk to their kids about what matters most.
