**All-in-one guide prepares you for CompTIA's new A+ Certification**

Candidates aiming for CompTIA's revised, two-exam A+ Certified Track will find everything they need in this value-packed book. Prepare for the required exam, CompTIA A+ Essentials (220-601), as well as your choice of one of three additional exams focusing on specific job roles--IT Technician (220-602), Remote Support Technician (220-603), or Depot Technician (220-604). This in-depth book prepares you for any or all four exams, with full coverage of all exam objectives. Inside, you'll find:

- Comprehensive coverage of all exam objectives for all four exams in a systematic approach, so you can be confident you're getting the instruction you need
- Hand-on exercises to reinforce critical skills
- Real-world scenarios that show you life beyond the classroom and put what you've learned in the context of actual job roles
- Challenging review questions in each chapter to prepare you for exam day
- Exam Essentials, a key feature at the end of each chapter that identifies critical areas you must become proficient in before taking the exams
- A handy fold-out that maps every official exam objective to the corresponding chapter in the book, so you can track your exam prep objective by objective
- Look inside for complete coverage of all exam objectives for all four CompTIA A+ exams.
