## **Improving Patient Safety Through Teamwork and Team Training** By Eduardo Salas, Karen Frush

Team training has become a tradition in healthcare, where it has helped produce significantly positive results in patient safety. It is widely acknowledged that medical teamwork is essential, yet the coordination, communication, and cooperation behind it has never been carefully examined. This book provides a comprehensive study of the science behind improving team performance in the delivery of clinical care. Leaders in the field, Eduardo Salas and Karen Frush, have assembled scholars, practitioners, and professionals to offer a combination of practical advice and insight as well as a look into the scientific foundation of teamwork. Chapters offer helpful guidelines and lessons on how to improve performance in the team setting, including how to measure success, how to monitor training, pitfalls and challenges, and how the different needs of various clinical situations.

### **Editorial Review**

#### **Review**

"The text is comprehensive, well organized, and referenced, with some overlap, and written plainly with an appropriate number of charts, tables, and diagrams for reinforcement, which is essential in conveying inherently abstract concepts. [...] This book should be considered an invaluable resource and recommended reading. However, as a reference, almost all chapters provide unique analysis of medical teamwork and training issues not readily found in other texts, and to which any radiologist or health care professional can easily relate and find relevant and instructive at some level when translated into their own practice." -Gerald Legiehn, *Radiology*

#### **About the Author**

Eduardo Salas, PhD is Pegasus Professor and University Trustee Chair, Department of Psychology, Institute for Simulation & Training, at University of Central Florida in Orlando, Florida.

Karen Frush, MD is Chief Patient Safety Officer and Associate Professor of Pediatrics at Duke University School of Medicine as well as Assistant Professor at Duke University School of Nursing in Durham, North Carolina.

### **Users Review**

#### **From reader reviews:**

##### **Monte Lawson:**
