Lover Enshrined (Black Dagger Brotherhood, Book 6) By J.R. Ward

In the shadows of the night in Caldwell, New York, there's a deadly war raging between vampires and their slayers. And there exists a secret band of brothers like no other—six vampire warriors, defenders of their race. And now, a dutiful twin must choose between two lives...

Fiercely loyal to the Black Dagger Brotherhood, Phury has sacrificed himself for the good of the race, becoming the male responsible for keeping the Brotherhood's bloodlines alive. As Primale of the Chosen, he is to father the sons and daughters who will ensure that the traditions of the race survive and that there are warriors to fight those who want all vampires extinguished.

As his first mate, the Chosen Cormia wants to win not only his body but his heart for herself- she sees the emotionally scarred male behind all his noble responsibility. But while the war with the Lessening Society grows more grim, and tragedy looms over the Brotherhood's mansion, Phury must decide between duty and love.

Editorial Review

From Publishers Weekly

Starred Review. Wards's terrific latest picks up the Black Dagger Brotherhood of vampires where *Lover Unbound* left off. Phury, a sworn Brother who has also become the Primale, is wrestling with a destiny he doesn't want, an addiction he can't handle and an insurmountable feeling of inadequacy that bleeds over into his love for Cormia, his Chosen First Mate. He holes up at the Brotherhood's rural New York base. The Omega, bent on destroying the vampire race, is meanwhile growing ever stronger, and his long-held plan to destroy the Brothers, via the Lessening Society, is coming to fruition. Younger Brotherhood trainees John Matthew, Qhuinn and Blaylock are learning what it means to come of age and are immersed in their own drama with Qhuinn's malicious cousin, Lash. The stories all reach a shared climax, leading to explosive revelations that set up the next book beautifully. Focusing less on Phury and Cormia and more on the Omega's plot amps the tension on all sides. A subplot involving Rhevenge, John Matthew and the female sympath Xhex is particularly exciting, with Ward diving into varied subspecies, sexual predilections and questions of identity. Ward has outdone herself with this latest Brotherhood novel. (*June*)

Phury has long been the self-sacrificing Brother. He maimed himself body and soul to save his twin. Now he's taken Vischous' place as the Primale, the one meant to replenish the dwindling number of Brothers and Chosen for the race. But his inner demons threaten to ruin it all. His place among the Brotherhood. His role as Primale. His relationship with his First Mate, Cormia. His greatest challenge, however, is proving to himself he truly is the hero he's always tried to be. Ward's fans have come to expect stories jam-packed with complex, ongoing story lines, and her newest is no exception. With major series-turning events, the subplots weigh in more than ever, at times suggesting that there can be too much of a good thing. But in the end the indulgence is worth it. Along with the happy endings, more darkness comes to pass, showing the war between the vampires and the lessers is far from over, which happily means more Black Dagger Brotherhood stories to come. --Nina C. Davis

Review

Praise for the Black Dagger Brotherhood

“J.R. Ward's unique band of brothers is to die for. I love this series!” —*New York Times* bestselling author bestseller Suzanne Brockmann

“Utterly absorbing and deliciously erotic...The Brotherhood is the hottest collection of studs in romance. I can't wait for the next one!” —*New York Times* bestseller Angela Knight
