### Editorial Review

#### Review

“The Farley text is different in that it begins from a much broader perspective of understanding race as a social, cultural, and historical variable. Granted, it is necessary to break down any discussion of different racial and ethnic groups, but the Farley text does it in a way that keeps the broader picture and structure of race in context and plain view.”

*Michael Stewart, Florida State University*

“I find the text to be very accurate and solid in terms of addressing the material in a straightforward, scholarly way.”

*Michael Stewart, Florida State University*

“The scope of this text is impressive and I would be surprised if any instructor could not find at least a few examples of what he or she deems ‘necessary’.”

*Dr. Cory Blad, Southern Illinois University, Edwardsville*

“This text does a great job of building the foundation for consideration of majority-minority relations. It then does a great job of elaborating into different issues that are relevant to a thorough understanding of majority-minority relations.”

*Juanita Ortiz, University of Oklahoma*

[Regarding boxed features] “They are interesting and engaging. Improve them by adding more!”

*Juanita Ortiz, University of Oklahoma*
