Meanwhile Back at the Ranch By Kinky Friedman

Private dick extraordinaire Kinky Friedman has his hands full, fitting two new cases into his already busy schedule of solo boozing and misanthropic musing. First, there's the missing young autistic boy from New York. He's on a menu of medications, has a knack for picking stock-market winners, speaks only one word, "schnay" -- and Kinky is the family's last hope of finding him. But a second mysterious disappearance takes Kinky deep-in-a-harta Texas, where Lucky the three-legged cat -- and unofficial mascot of the Utopia Animal Rescue Ranch -- has apparently been kittynapped. The owner is convinced the feline is in the hands of some nasty neighbors, a satanic cult, or aliens -- and she wants Lucky found before he becomes coyote chow.

Sleuthing in two states, with two very special specimens at stake, Kinky is going to have to think (and *drink*) harder than ever to save the day not once but twice....

Editorial Review

From Publishers Weekly

Consistently irreverent, politically incorrect and more than a little outrageous, the Kinkster's 15th effort (after 2001's *Steppin' on a Rainbow*), while it may please his fans, is unlikely to win any new ones, as it's just a bit thin in the telling. Reading a Friedman novel is like listening to a hip monologue where some of the jokes work, some don't. Reading a Friedman novel is like being thrust into a hellzapoppin' world where reality is the only uncertainty. The ultimate effect, however, is amiable. The author's compassion for the underdog and love of animals are clear. Kinky has three cases to handle and he has catalogued them with the names of the Three Stooges. "Larry" involves a missing autistic boy, 11-year-old Dylan Weinberg, who speaks only one word, "Schnay," which is the clue to the mystery that surrounds him. "Moe" concerns a serial killer, whom Kinky and his buddy, Rambam, stake out. And finally there's "Curly," which focuses on the disappearance of a three-legged cat named Lucky. Lucky is of great sentimental value to Kinky's cousin Nancy, who helps run the Utopia Animal Rescue Ranch (a real place), where unwanted animals are allowed to live out their lives. One of the cases comes to nothing, while another produces an unexpected corpse. It takes Friedman half the book to build a momentum, but once begun it moves well to a credible conclusion. The cat, incidentally, says nothing.

The real Kinky Friedman has enlisted First Lady and fellow Texan, Laura Bush, in his humanitarian effort to raise money for an organization near and dear to his cold, cold heart, the Utopia Rescue Ranch in Medina, Texas, an animal shelter. And here, in Friedman's fifteenth installment in the mystery series starring himself as private eye, the fictional Kinkster shuttles between upstate New York and his native Texas in his efforts to solve two cases: one involving a missing 11-year-old autistic child who only says the word *shnay* and the other concerning a three-legged cat named Lucky, missing from the ranch. What could have been a shameless plug for the shelter is, instead, a heartfelt and compassionate call for the care of the misfits of this crazy world. Friedman expertly, and not at all heavy-handedly, ties the two cases together with his depictions of a Dickensian orphanage and the animal shelter that lives up to its name. And, of course, there is plenty of the Kinkster's curmudgeonly wit and offbeat observations. Perhaps the most coherent novel in a flamboyant series. *Benjamin Segedin*

Users Review

From reader reviews:

Erich Arnold:

Book is actually written, printed, or descriptive for everything. You can understand everything you want by a publication. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading skill was fluently. A e-book *Meanwhile Back at the Ranch* will make you to be smarter. You can feel much more confidence if you can know about almost everything. But

some of you think that will open or reading the book make you bored. It is far from make you fun. Why they might be thought like that? Have you looking for best book or appropriate book with you?

Richard Mills:

This Meanwhile Back at the Ranch is brand new way for you who has interest to look for some information given it relief your hunger of information. Getting deeper you into it getting knowledge more you know otherwise you who still having little bit of digest in reading this Meanwhile Back at the Ranch can be the light food for yourself because the information inside that book is easy to get by means of anyone. These books create itself in the form that is reachable by anyone, yep I mean in the e-book type. People who think that in book form make them feel tired even dizzy this publication is the answer. So there is no in reading a reserve especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life in addition to knowledge.

Sharon Keller:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Meanwhile Back at the Ranch can make you feel more interested to read.

Sam Nielsen:

What is your hobby? Have you heard in which question when you got college students? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. So you know that little person including reading or as studying become their hobby. You should know that reading is very important along with book as to be the issue. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. Amount types of books that can you take to be your object. One of them is Meanwhile Back at the Ranch.
