### **Editorial Review**

#### **Amazon.com Review**

"Propaganda," says Noam Chomsky, "is to a democracy what the bludgeon is to a totalitarian state"--in other words, the means by which leaders keep the masses in line. In this slim pamphlet, he looks at American propaganda efforts, from the warmongering of Woodrow Wilson to the creation of popular support for the 1991 military intervention in Kuwait, and reveals how falsification of history, suppression of information, and the promotion of vapid, empty concepts have become standard operating procedure for the leaders of the United States--both Democrats and Republicans--in their efforts to prevent citizens from raising awkward questions about U.S. policy.

### **Users Review**

#### **From reader reviews:**

##### **Jean Fuller:**

Do you considered one of people who can't read pleasant if the sentence chained within the straightway, hold on guys this specific aren't like that.
