Taken At The Flood (BBC Radio Collection) By Agatha Christie

In 1940s London, Hercule Poirot is cornered by the club bore and learns of a mysterious death—one which sets him off on one of his most intriguing cases. When Gordon Cloade is killed in a London air raid, his vast fortune passes to his young wife Rosaleen. Cloade's relatives are desperate to get their hands on his money, and Rosaleen begins to fear for her life. The prospects for the Cloade relatives improve when they discover that Rosaleen had a previous husband who had perished mysteriously in Africa. Then a mysterious stranger appears in the village, saying that he has something to communicate to her, but the following morning he is found dead. Was the murdered man in fact Rosalind's first husband? Who murdered him—and why?

Editorial Review

About the Author

Agatha Christie was born in 1890. During the World War I she worked as a hospital dispenser, where she gleaned the working knowledge of various poisons. Her first novel was *The Mysterious Affair at Styles*, published in 1920, followed over the next six years by four more detective novels and a short story collection. However, it was not until the publication of *The Murder of Roger Ackroyd* that Agatha Christie's reputation was firmly established. In 1930 the sharp-witted spinster sleuth Miss Marple made her first appearance in *Murder at the Vicarage*. In all, Agatha Christie published 80 crime novels and short story collections. As her play *The Mousetrap* (the longest-running play in the history of the theater) testifies, Agatha Christie's detective stories are likely to appeal for a long time to come. Agatha Christie was awarded a CBE in 1956 and was made a Dame of the British Empire in 1971. She died in 1976.
