## **Editorial Review**

From the Back Cover

### **You *can* get there**

Where do you want to go? You might already be working in the business world and may be looking to expand your skills. You might be setting out on a new career path. Or, you might want to learn more about exciting opportunities in project management.

Wherever you want to go, *Wiley Pathways Project Management* will help you get there. Easy-to-read, practical, and up-to-date, this text not only helps you learn fundamental project management concepts; it also helps you master the core competencies and skills you need to succeed in the classroom and in the real world. The book's brief, modular format and variety of built-in learning resources enable you to learn at your own pace and focus your studies.

### **With this book, you will be able to:**

- Identify common types of projects and the various roles within them.
- Identify a project's needs and use the Statement of Work to focus your project.
- Choose and use the right project management software for your project.
- Organize your project and establish a realistic schedule.
- Use tools such as a Work Breakdown Structure and Linear Responsibility Chart to plan your project.
- Budget a project and allocate human resources, materials, and equipment optimally.
- Become adept at juggling limited resources among multiple projects.
- Become an effective team leader.
- Track your project and ensure that it's on-time and on-budget.
- Lead productive meetings and generate useful reports to communicate and document your project's progress.
- Terminate and evaluate your project in a positive manner.

### **Wiley Pathways helps you achieve your goals**
