Angel Song By Sheila Walsh, Kathryn Cushman

Angels eagerly watch over Ann Fletcher's every move. She just doesn't know it yet.

Ann Fletcher has returned to Charleston to see her younger sister Sarah receive her master's degree. But she soon finds herself riding in the back of an ambulance, watching helplessly as Sarah fights for her life. As they race to the hospital, Sarah talks to someone who is not there...and hums a melody Ann has never heard before.

That unfamiliar, unearthly beautiful melody keeps finding Ann--first in the hospital chapel, then in her dreams, and finally in Sarah's empty house.

Two neighbors have a profound effect on Ann. Ethan McKinney lends her a shoulder to lean on. And as a carpenter, he volunteers to help Ann get the Fletcher family home into shape for selling. His strong presence is a pleasing distraction. Ann's twelve-year-old neighbor, Keith, has Down Syndrome and the guile to believe he can actually see and hear angels. In fact, he insists they are looking out for her in ways she's never imagined.

God begins to reveal himself to Ann--both in her newfound friends and through supernatural events. As she discovers the very real presence of angels around her, will she finally open her heart to receive God's healing love?

Editorial Review

From Publishers Weekly

Women of Faith speaker Walsh (Beautiful Things Happen When a Woman Trusts God) and novelist Cushman (Leaving Yesterday) have co-authored a yarn about a young woman's unawareness of angels surrounding her every move. Annie Fletcher has returned home to Charleston, S.C., from her busy life as a New York designer to celebrate her younger sister Sarah's graduation when Sarah dies in an auto accident. Distraught and feeling more alone than ever, Annie begins to have dreams and hear music--angelic music--and does her level best to escape it. When her deceased sister's neighbors come calling, Annie gets even more uneasy as 12-year-old Keith, who has Down syndrome, starts talking about seeing angels all around. Troubled and scared, Annie fights memories of a painful childhood even as she battles present-day business adversaries and internally rebels against evidence in her life of invisible angelic protectors. Walsh is known for communicating with real depth in her nonfiction titles; sadly, this fictional offering isn't as riveting. Many of the story's angelic occurrences are more contrived than divine.

Review

This is an essential purchase for all Christian fiction collections. Walsh has cohosted TV's 700 Club and is well known to evangelical Christians--particularly women, as a result of her speaking appearances at the annual Women of Faith conference. The writing here is even, the characters likable, and the story charming.
--Library Journal
