Bend Sinister By Vladimir Nabokov

The first novel Nabokov wrote while living in America and the most overtly political novel he ever wrote, **Bend Sinister** is a modern classic. While it is filled with veiled puns and characteristically delightful wordplay, it is, first and foremost, a haunting and compelling narrative about a civilized man caught in the tyranny of a police state. It is first and foremost a compelling narrative about a civilized man and his child caught up in the tyranny of a police state. Professor Adam Krug, the country's foremost philosopher, offers the only hope of resistance to Paduk, dictator and leader of the Party of the Average Man. In a folly of bureaucratic bungling and ineptitude, the government attempts to co-opt Krug's support in order to validate the new regime.

Editorial Review

Review

Novel by Vladimir Nabokov, published in 1947. It is the second novel the Russian-born author wrote in English. It tells the story of Adam Krug, a philosopher who disregards his country's totalitarian regime until his son David is killed by the forces he has attempted to ignore. -- *The Merriam-Webster Encyclopedia of Literature*

From the Inside Flap

The first novel Nabokov wrote while living in America and the most overtly political novel he ever wrote, *Bend Sinister* is a modern classic. While it is filled with veiled puns and characteristically delightful wordplay, it is, first and foremost, a haunting and compelling narrative about a civilized man caught in the tyranny of a police state. It is first and foremost a compelling narrative about a civilized man and his child caught up in the tyranny of a police state. Professor Adam Krug, the country's foremost philosopher, offers the only hope of resistance to Paduk, dictator and leader of the Party of the Average Man. In a folly of bureaucratic bungling and ineptitude, the government attempts to co-opt Krug's support in order to validate the new regime.

About the Author

Vladimir Vladimirovich Nabokov was born on April 23, 1899, in St. Petersburg, Russia. The Nabokovs were known for their high culture and commitment to public service, and the elder Nabokov was an outspoken opponent of antisemitism and one of the leaders of the opposition party, the Kadets. In 1919, following the Bolshevik revolution, he took his family into exile. Four years later he was shot and killed at a political rally in Berlin while trying to shield the speaker from right-wing assassins.

The Nabokov household was trilingual, and as a child Nabokov was already reading Wells, Poe, Browning, Keats, Flaubert, Verlaine, Rimbaud, Tolstoy, and Chekhov, alongside the popular entertainments of Sir Arthur Conan Doyle and Jules Verne. As a young man, he studied Slavic and romance languages at Trinity College, Cambridge, taking his honors degree in 1922. For the next eighteen years he lived in Berlin and Paris, writing prolifically in Russian under the pseudonym Sirin and supporting himself through translations, lessons in English and tennis, and by composing the first crossword puzzles in Russian. In 1925 he married Vera Slonim, with whom he had one child, a son, Dmitri.

Having already fled Russia and Germany, Nabokov became a refugee once more in 1940, when he was forced to leave France for the United States. There he taught at Wellesley, Harvard, and Cornell. He also gave up writing in Russian and began composing fiction in English. In his afterword to *Lolita* he claimed: "My private tragedy, which cannot, and indeed should not, be anybody's concern, is that I had to abandon my natural idiom, my untrammeled, rich, and infinitely docile Russian tongue for a second-rate brand of English, devoid of any of those apparatuses--the baffling mirror, the black velvet backdrop, the implied associations and traditions--which the native illusionist, frac-tails flying, can magically use to transcend the heritage in his own way." [p. 317] Yet Nabokov's American period saw the creation of what are arguably his greatest works, **Bend Sinister** (1947), **Lolita** (1955), **Pnin** (1957), and **Pale Fire** (1962), as well as the translation of his earlier Russian novels into English. He also undertook English translations of works by Lermontov and Pushkin and wrote several books of criticism. Vladimir Nabokov died in Montreux, Switzerland, in 1977.

Users Review

From reader reviews:

Barbara Richardson:

Now a day people who Living in the era wherever everything reachable by talk with the internet and the resources within it can be true or not require people to be aware of each details they get. How many people to be smart in acquiring any information nowadays? Of course the reply is reading a book.
