### Editorial Review

#### Review

*All explanations were very straightforward and did not divulge into areas outside of the scope of the DAT. Getting through multiple chapters in a day should not be overly difficult thanks to the format of the books. In some sections like the PAT, difficulty ramps up as you get further into the guided examples. This makes the PAT section of Gold Standard my favorite resource for PAT preparation.* --Elias Almaz of Almaz Dentistry, Pre-Dental Student at University of California, Irvine

*The third section is the text for the PAT section. This section does a great job of utilizing the color pages to explain each section of the PAT. If you have no idea how to go about solving any of the PAT sections then this is the resource you need.* --Jerry Westover of Dental DAT, Dental Student at Indiana University School of Dentistry

#### About the Author

The Gold Standard Team of authors and editors includes professionals with advanced academic degrees in dentistry, medicine, and the arts, as well as Ivy League dental students with exceptional DAT scores.

### Users Review

#### From reader reviews:

##### **Gayle Collins:**

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and move ahead.
