Princess Sultana's Daughters By Jean Sasson

Readers of PRINCESS were gripped by Jean Sasson's powerful indictment of women's lives behind the veil. Now, in the compelling sequel, Jean Sasson and Princess Sultana turn the spotlight on Sultana's two teenage daughters, Maha and Amani.

As second-generation members of the royal family who have benefited from Saudi oil wealth, Maha and Amani are surrounded by untold opulence and luxury from the day they were born. And yet, they are stifled by the unbearably restrictive lifestyle imposed on them, driving them to desperate measures.

Throughout, Sultana and Sasson never tire of their quest to expose the injustices which society levels against women. Princess Sultana once more strikes a chord among all women who are lucky enough to have the freedom to speak out for themselves.

The complete Princess trilogy is also available as an ebook for the first time. For the 3-in-1 ebook, please visit:

Editorial Review

From Publishers Weekly

Sasson's sequel to *Princess: A True Story of Life Behind the Veil* is another page-turner related by "Princess Sultana." A member of the royal family of Saudi Arabia, Sultana now is married to a progressive prince, but this privileged status does not protect her or her two daughters from the country's repressive laws against women. Though a devout Muslim, Sultana believes the entrenched male power structure has perverted religious doctrine to justify veiling women and depriving them of basic civil liberties. The lack of opportunity to forge equal relationships with men before and after marriage, Sultana argues, is why one of her daughters became fanatically religious and the other suffered a mental breakdown. This eye-opening account is limited to life among the royals rather than a critique of Saudi Arabian society, although Sultana describes the brutal custom of female circumcision practiced by the poor.

From Library Journal

In this sequel to the popular *Princess: A True Story of Life Behind the Veil* in Saudi Arabia (LJ 7/92), Sultana continues her shocking and amazing story into the next generation. Feeling that men are generally at the root of female grief, she argues that it is the duty of the discontented like herself to seek change so that her children's generation will have some relief from the oppression that stifles Saudi women's lives today. The book is more than that—it gives insight into the lives of royalty and the views of those who can be religious while flaunting the strict Sunni rules against alcohol and temporary marriage. This book charms the heart and should be a popular item for general collections.

In a country where women are still essentially bought or bartered, the princess (real name withheld) is justifiably fearful when the family realizes she is the subject of the 1992 exposé, *Princess: A True Story of Life Behind the Veil in Saudi Arabia*. If this book has a thesis, it is a line the princess uses to describe the troubles her own daughters are going through as they try to assert themselves in the male-dominated society: "When normal is forbidden, people fall into the abnormal." With religious police watching over their morals, one wonders just how more "abnormal" these people and their country can be. The answer: quite a bit. This book, both fascinating and depressing, shows that women are much less than second-class citizens in Saudi society. *Brian McCombie*

Users Review

From reader reviews:

Marjorie Batchelder:

Here thing why this specific *Princess Sultana's Daughters* are different and reputable to be yours. First of all looking at a book is good but it depends in the content of it which is the content is as delicious as food or not. *Princess Sultana's Daughters* giving you information deeper since different ways, you can find any book out there but there is no guide that similar with *Princess Sultana's Daughters*. It gives you thrill looking at journey, its open up your own eyes about the thing which happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in playground, café, or even in your means

home by train. In case you are having difficulties in bringing the branded book maybe the form of Princess Sultana's Daughters in e-book can be your alternative.

Meagan Shaffer:
