Release By Beth Kery

From the author of *New York Times* and *USA Today* bestselling author Beth Kery comes a story about an alluring woman-who learns that to understand desire, you have to let it run wild.

Genny loved her husband Max, but he lacked the sexual charge that was instead ignited by his business partner, Sean. Ruggedly handsome, Sean had a heart-stopping smile that made Genny weak. The more time they spent together, the stronger the attraction between them became. Then her husband offered to share her with Sean for one intoxicating night...

That night in the company penthouse, Max and Sean showed Genny the heights of ecstasy. But it was Sean who touched her very spirit, and one-on-one, they were red hot. But as Genny learns, there's a price to pay for such impulsive pleasure. What began as a night of forbidden desire spirals into a whirlpool of murder, sensual submission, secrets, and a scorching passion that threatens to consume everyone it touches.

From the Author

From the Author

Release contains all the elements I love in a romance, including a smoking hot alpha hero with a tender, sweet spot for the heroine, the theme of love lost and found, and romance set against the backdrop of encroaching danger and threat. One other Release favorite? Being caught in a blizzard with the man of your dreams. Impossible for secrets and passion not to bubble to the surface and explode.

I hope you enjoy **Release!**
