### Baal By Robert McCammon

Baal was Robert McCammon's first novel, a debut that would lead to some of the finest popular fiction of our time. Written at the age of 25 and published as a paperback original in 1978, it has been out of print for years. This deluxe new edition from Subterranean Press will give McCammon's many readers--both newcomers and longtime fans--the opportunity to trace the development of an extraordinarily talented man.

The story begins with a horrific rape on the streets of New York City. Nine months after that violation, a most unusual child is born. His name is Jeffrey Harper Raines, but he quickly assumes his true name--and true purpose--as Baal, a new incarnation of the ancient prince of demons. The narrative recounts his lethal progress through the 20th century, which begins with the destruction of his earthly 'family.' From there, Jeffrey/Baal moves to a doomed Catholic orphanage, where he unleashes carnage on an unprecedented scale, then out into the wider world, where he embraces his destiny as the Prophet of the Damned, generating a legacy of chaos, violence, and despair.

Baal is very much a young man's book, raw and brimming with emotion. Listen closely and you'll hear the voice of a gifted storyteller struggling to be born. In 1980, the career that would encompass *Swan Song*, *Boy's Life*, and *The Five* still lay waiting several years down the road. This is where it began.

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Charles Stephens:**

This Baal book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this e-book incredible fresh, you will get info which is getting deeper you read a lot of information you will get. This Baal without we comprehend teach the one who studying it become critical in contemplating and analyzing. Don't be worry Baal can bring whenever you are and not make your tote space or bookshelves' come to be full because you can have it in the lovely laptop even cell phone. This Baal having excellent arrangement in word as well as layout, so you will not really feel uninterested in reading.

##### **Clara Demoss:**

As people who live in the modest era should be change about what going on or information even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know which you should start with. This Baal is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

##### **Alice Wilkerson:**

The reason why? Because this Baal is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

##### **John Dussault:**

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.

Therefore , this Baal can make you experience more interested to read.
