**Family Therapy: Concepts and Methods (11th Edition)** By Michael P. Nichols, Sean Davis

**Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134300742.**

Long considered the standard of excellence—the best introduction and guide to the practice of family therapy available—this accessible resource explores the rich history and contemporary practice of the entire field. Thorough, thoughtful, fair, and balanced, *Family Therapy* by Michael P. Nichols presents ideas and techniques that give readers a clear focus on clinical practice. While exploring the history, the classic schools, and the latest developments, this new edition puts an increased, pragmatic focus on clinical practice, which includes discussions of the author's observations of actual sessions with leading practitioners, as well as the best case studies of several invited master therapists. Included are video links, interactive chapter quizzes, new case studies, a new section on the impact of the Affordable Care Act, and many more content changes that bring the reader up to date on the latest and most critical issues in the field of family therapy today. The Enhanced Pearson eText features embedded videos and assessments.

### Editorial Review

From the Back Cover

#### **An authoritative, readable, informative guide to the field of family therapy.**

Long considered the standard of excellence—the best introduction and guide to the practice of family therapy available—this accessible resource explores the rich history and contemporary practice of the entire field. Thorough, thoughtful, fair, and balanced, it presents ideas and techniques that give readers a clear focus on clinical practice.

#### **Invigorate learning with the Enhanced Pearson eText**

The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features:

- **Embedded videos** . Enrich the students' experience with the text by allowing readers to see family therapy sessions and practitioners sharing their insights.
- **Multiple choice tests and short essay questions help to measure learning outcomes:**
  - Major Section Quizzes in short-answer (essay) format give students the opportunity to reflect on and apply what they've learned.
  - Chapter Review Quizzes in multiple-choice format appear at the end of each chapter and provide immediate feedback.

About the Author

**Michael P. Nichols** is a professor at the College of William and Mary. Dr. Nichols received his B.A. from the University of Wisconsin, and his Ph.D. from the University of Rochester. He teaches and practices family therapy, and is the author of numerous journal articles and books, including *Inside Family Therapy*, *The Lost Art of Listening*, *Stop Arguing with Your Kids*, and *Essentials of Family Therapy*. He is co-author, along with Salvador Minuchin and Wai-Yung Lee, of the newly published *Assessing Families and Couples: From Symptom to System*.

### Users Review

**From reader reviews:**

**John Casale:**

What do you think of book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that problem above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great along with important the book Family Therapy: Concepts and Methods (11th Edition). All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

**Colleen Nguyen:**

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This Family Therapy: Concepts and Methods (11th Edition) is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

**Joe North:**

That guide can make you to feel relax. This specific book Family Therapy: Concepts and Methods (11th Edition) was multi-colored and of course has pictures on the website. As we know that book Family Therapy: Concepts and Methods (11th Edition) has many kinds or variety. Start from kids until teens. For example Naruto or Detective Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading which.

**Jamie Norman:**

Reading a publication make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is written or printed or illustrated from each source that will filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the Family Therapy: Concepts and Methods (11th Edition) when you necessary it?
