Hacks for Minecrafters: Combat Edition: The Unofficial Guide to Tips and Tricks That Other Guides Won't Teach You By Megan Miller

From the author of *Hacks for Minecrafters* and *Hacks for Minecrafters: Master Builder* comes the most encompassing guide ever to combat in the world of Minecraft!

With more than 100 million registered Minecraft accounts and rights picked up by Warner Brothers for an action-adventure film in the style of *The Lego Movie*, Minecraft is on its way to becoming the next big children's brand. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While there are several successful game guides on the market already, this book will be the first unofficial "hacker's" guide dedicated to combat and geared toward seven- to twelve-year-old Minecrafters.

With *Hacks for Minecrafters: Combat Edition*, kids will learn how to defend their property and fight off hostile mobs and monsters like zombies, spiders, and skeletons! Other tips include:

Updated enchanting for armor, weapons, and more

How to deal with new behaviors for hostile mobs

The best ways to defeat new hostile mobs, such as killer bunnies, ocean-dwelling guardians, elder guardian mini-bosses, and the rare endermite

And much more!

Packed with expert tips, cheats, and hacks on fighting all types of enemies and with over one hundred screenshots, *Hacks for Minecrafters: Combat Edition* shows exactly how the experts defend themselves and fight attackers, from cave spiders to creepers to zombie pigmen. In Minecraft, the risk of attack is ever-present, and players need to know how to build weapons, set traps, and escape to safety.
