Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) By Jean Marie Schultz, Marie-Paule Travnouez

After the highly successful launch of this popular, college-level intermediate French program, the Second Edition of Réseau: Communication, Intégration, Intersections expands upon the features that have made it so popular in two- and four-year colleges and universities around the world. Réseau conceives of the teaching of French as a holistic endeavor, not only in terms of language skills—speaking, listening, reading, and writing—but also in terms of cultural knowledge in the broadest sense. Based on the belief that knowledge of a second language and culture necessarily brings about a greater understanding not only of the world in an increasingly global context, but also of the individual self, the content and activities in Réseau offer students the opportunity to reflect on the differences between their own and French and Francophone cultures and experiment with the new identities that so many researchers suggest language learning can encourage.

Editorial Review

From the Back Cover

After the highly successful launch of this popular, college-level intermediate French program, the Second Edition of Réseau: Communication, Intégration, Intersections expands upon the features that have made it so popular in two- and four-year colleges and universities around the world. Réseau conceives of the teaching of French as a holistic endeavor, not only in terms of language skills—speaking, listening, reading, and writing—but also in terms of cultural knowledge in the broadest sense. Based on the belief that knowledge of a second language and culture necessarily brings about a greater understanding not only of the world in an increasingly global context, but also of the individual self, the content and activities in Réseau offer students the opportunity to reflect on the differences between their own and French and Francophone cultures and experiment with the new identities that so many researchers suggest language learning can encourage.

Users Review

From reader reviews:

Stan Whitley:

Here thing why this specific Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) are different and reliable to be yours. First of all examining a book is good but it really depends in the content of it which is the content is as yummy as food or not. Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) giving you information deeper including different ways, you can find any publication out there but there is no reserve that similar with Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition). It gives you thrill reading through journey, its open up your own eyes about the thing in which happened in the world which is probably can be happened around you. It is possible to bring everywhere like in playground, café, or even in your method home by train. Should you be having difficulties in bringing the branded book maybe the form of Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) in e-book can be your choice.

Cathleen Read:

In this age globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended for your requirements is Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) this publication consist a lot of the information with the condition of this world now. That book was represented just how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The writer made some study when he makes this book. Here is why this book ideal all of you.

Nancy Collins:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition) can make you feel more interested to read.

James Martin:

What is your hobby? Have you heard that will question when you got college students? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You should know that reading is very important and also book as to be the issue. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. Amount types of books that can you choose to adopt be your object. One of them is this Réseau with MyFrenchLab (multi semester access) -- Access Card Package (2nd Edition).
