Editorial Review

From [Booklist](#)

Beth Ackerley knows Lord Ian Mackenzie is mad. Only a madman would give a woman he had never met before a letter warning her not to wed her fiancé and then propose to her. Beth knows Ian is bad for her. One kiss from Ian, and Beth is prepared to give up her quiet new life as a widow and indulge in a scandalous affair with the sexy Scottish nobleman. But Beth knows that Ian is not dangerous. Even if everyone else in society might believe he is connected to the murder of two different women, Beth believes Ian is innocent, even if it means risking her life to prove her faith in him. Ever-versatile Ashley begins her new Victorian Highland Pleasures series with a deliciously dark and delectably sexy story of love and romantic redemption that will captivate readers with its complex characters and suspenseful plot. --John Charles
