The Non-Designer's Design Book (3rd Edition) By Robin Williams

A lot has happened in the world of digital design since the first edition of this title was published, but one thing remains true: There is an ever-growing number of people attempting to design pages with no formal training. This book is the one place they can turn to find quick, non-intimidating, excellent design help from trusted design instructor Robin Williams. This revised classic--now in full color--includes a new section on the hot topic of Color itself. *In The Non-Designer's Design Book, 3rd Edition*, Robin turns her attention to the basic principles that govern good design. Readers who follow her clearly explained concepts will produce more sophisticated and professional pages immediately. Humor-infused, jargon-free prose interspersed with design exercises, quizzes, and illustrations make learning a snap--which is just what audiences have come to expect from this best-selling author.
