### Toni Tennille: A Memoir By Toni Tennille

Since bursting onto the scene in the mid '70s, the pop duo Captain and Tennille have long defined the sparkling, optimistic idea of everlasting love, both in their music and through their image as a happy and, seemingly, unbreakable couple. They were an irresistible pair to millions of fans all over the world, further underscored by the rousing "yes, we can!" gospel of their biggest hit, "Love Will Keep Us Together." But underneath the image was an entirely different story that the fans never saw: a woman who fought a lonely struggle against the controlling and often bizarre behavior of her emotionally inaccessible husband. *Toni Tennille: A Memoir* is a visceral account of Toni Tennille's life from her childhood in the segregated South to her thrilling rise to fame in the world of pop music to where she is now: no longer one-half of a famed couple, but a stronger woman for all she has experienced—both the good and the bad. Toni hopes that her story will help anyone who feels trapped in a toxic relationship realize that it is never too late to break away from it.

### Editorial Review

#### Review

**"Love Will Keep Us Together"** is one of the last songs I wrote with Howie Greenfield in the early seventies. I'll never forget the day when I received a 45rpm in the mail of my song by a new group "The Captain and Tennille", which by the way, I could not pronounce correctly. I put it on the turntable and almost fell off my chair. It was the most perfect production and performance of a pop song that I had ever heard.

I marvel at what a great singer Toni Tennille truly is. Certainly in the league of Ella Fitzgerald and others from years before. Now, she has written a moving memoir filled with the strength and warmth she has always possessed. I will always have a special place in my heart for her as a person and for her as an artist."

- Neil Sedaka, legendary recording artist and songwriter. (Neil Sedaka)

#### About the Author

**Toni Tennille** is an icon of American music, having been part of the popular duo Captain and Tennille with her husband at the time, Daryl Dragon.

### Users Review
