**Ultimate Guide Wiring,: 7th Updated Edition (Home Improvement)** By Editors of Creative Homeowner, Home Improvement, Wiring, How-To

*Ultimate Guide Wiring* demystifies residential electrical systems through easy-to-understand language and the use of step-by-step photography and detailed illustrations. Homeowners will learn how their home's electrical system works and how to complete installations and repairs themselves. This project-based book shows how to select the right cable, wires, and other equipment and how to run wiring through walls and between floors. Projects guide the reader through installing switches, outlet receptacles, electrical appliances, and lighting systems. The book also shows how outdoor lighting, including security and low-voltage systems, can help homeowners improve and illuminate the exterior areas around their homes. As with previous editions, the seventh edition has been updated to comply with the latest National Electrical Code.

## **Editorial Review**

### **Review**

Ultimate Guide Wiring is chock full of excellent photos, charts and illustrations that clearly outline the steps involved in each of the projects covered in the book. I find the detailed how-to wiring diagrams particularly useful. This is as close as you can get to someone standing over your shoulder and telling you what to do. Just about every project featured in this book can be tackled by the average home owner. --Tool Reviews (website - Canada)
