**An Introduction to the New Testament** By D. A. Carson, Douglas J. Moo

An Introduction to the New Testament focuses on "special introduction" that is historical questions dealing with authorship, date, sources, purpose, destination, and so forth. This approach stands in contrast to recent texts that concentrate more on literary form, rhetorical criticism, and historical parallels—topics the authors don't minimize, but instead think are better given extended treatment in exegesis courses. By refocusing on the essentials, An Introduction to the New Testament ensures that the New Testament books will be accurately understood within historical settings. For each New Testament document, the authors also provide a substantial summary of that book's content, discuss the book's theological contribution to the overall canon, and give an account of current studies on that book, including recent literary and social-science approaches to interpretation. This second edition reflects significant revision and expansion from the original, making this highly acclaimed text even more valuable. • A new chapter provides a historical survey examining Bible study method through the ages. • The chapter on Paul has been expanded to include an analysis of debates on the "new perspective." • The discussion of New Testament epistles has been expanded to form a new chapter. This new edition will help a new generation of students better grasp the message of the New Testament.

### **Editorial Review**

#### **Review**

'...highly recommended. With its very careful, keenly nuanced, and extensively researched discussions, it may well be considered special in a way not originally intended by its authors. It deserves to be read not just by students but by all scholars of the New Testament.' (*Review of Biblical Literature*)

#### **From the Author**

D.A. Carson is professor of New Testament at Trinity Evangelical Divinity School. Douglas J. Moo is associate professor of New Testament at Trinity Evangelical School. Leon Morris, retired, was principal of Ridley College, Melbourne, and served as visiting professor of New Testament at Trinity Evangelical School

#### **From the Back Cover**

An Introduction to the New Testament focuses on 'special introduction' that is historical questions dealing with authorship, date, sources, purpose, destination, and so forth. This approach stands in contrast to recent texts that concentrate more on literary form, rhetorical criticism, and historical parallels---topics the authors don't minimize, but instead think are better given extended treatment in exegesis courses. By refocusing on the essentials, An Introduction to the New Testament ensures that the New Testament books will be accurately understood within historical settings. For each New Testament document, the authors also provide a substantial summary of that book's content, discuss the book's theological contribution to the overall canon, and give an account of current studies on that book, including recent literary and social-science approaches to interpretation. This second edition reflects significant revision and expansion from the original, making this highly acclaimed text even more valuable. \* A new chapter provides a historical survey examining Bible study method through the ages. \* The chapter on Paul has been expanded to include an analysis of debates on the 'new perspective.' \* The discussion of New Testament epistles has been expanded to form a new chapter. This new edition will help a new generation of students better grasp the message of the New Testament.

### **Users Review**

#### **From reader reviews:**

##### **Pamela Rhodes:**

What do you concerning book? It is not important along with you? Or just adding material when you require something to explain what yours problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have time? What did you do? Everybody has many questions above. They must answer that question due to the fact just their can do that. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this particular An Introduction to the New Testament to read.

##### **Beatrice Kennemer:**
