- Religion & Spirituality

Review

There is a lot of good news in Giugale's book, and a great deal of optimism. The government working for us? All children receiving an education that renders them literate? His readable and easily understandable case summaries explain clearly how we can all live interdependently, equitably and peacefully. An insider with no personal agenda; it doesn't get more reliable than that. This book is highly recommended for economics, political science, international studies and graduate business collections. Reference Reviews, Lisa Miller

About the Author

Marcelo M. Giugale is the Director of Economic Policy and Poverty Reduction Programs for Africa at the World Bank. A development expert and writer, his twenty-five years of experience span Africa, Central Asia, Eastern Europe, Latin-America and the Middle-East. He received decorations from the governments of Bolivia and Peru, and taught at American University in Cairo, the London School of Economics, and Universidad Católica Argentina.

Users Review

From reader reviews:

Elaine Moore:

Typically the book Economic Development: What Everyone Needs to Know® has a lot info on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. The author makes some research prior to write this book. This particular book very easy to read you will get the point easily after perusing this book.

Mary Kenney:

People live in this new day time of lifestyle always try to and must have the spare time or they will get great deal of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not really a huge robot. Then we inquire again, what kind of activity have you got when the spare time coming to a person of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the actual book you have read is usually Economic Development: What Everyone Needs to Know®.
