Editorial Review

From Publishers Weekly

The world is Raymond White's oyster: a working-class boy from Syracuse who made good, he's got a Princeton degree, rugged good looks and the gorgeous girlfriend to match, and partner status at a law firm by age 25. But in this lively modern-day retelling of *The Count of Monte Cristo*, just as White is poised to run for Congress, he is framed for murder, convicted and thrown into solitary confinement. After almost two decades of hard time, White is befriended by a fellow prisoner, lifer, "thief and part-time murderer," Lester Cole. "Exact revenge.... If you don't do it, you'll be a professional victim. You exact it and it's exact. Not just a reaction, but planned out. Precise. It needs to send a message," Cole advises, beginning his tutelage about life, literature and the location of a billion dollars worth of loot that they'll split after they escape. Cole dies in the breakout through the sewers of the Big House, but White goes on to retrieve the money and put in motion his reprisal plan against the former colleagues who framed him for murder. White takes down his enemies one by one in a fun, fast-paced update on the Dumas formula that will have readers booing the bad guys and rooting for the wronged hero.

From [Booklist](#)

In the early 1980s, Raymond White had it all--partnership at a law firm, a beautiful girlfriend about to become his wife, a close relationship with his father the rocker (in a quarry, that is), and the prospect of a seat in the U.S. House of Representatives. Why, then, when the novel opens, is he trapped in solitary confinement, doing time for a murder he didn't commit? That's the question he tries to answer, and he has plenty of time to work it out: what happened, who set him up, and how he plans to exact revenge. It's clear who masterminded the whole operation from the start, but we don't grasp how deep the deception goes. After 18 years, White is out of prison and dead set on making things right. What follows takes place at a heart-pounding pace, with suspense constantly building in a manner similar to *The Fugitive*, as White's chase for the truth forces his enemies to start chasing him. Green's writing can still be a bit heavy-handed, but he knows how to get a narrative steamroller moving and keep it going. *Mary Frances Wilkens*

Review

"Dark, gritty and engrossing. A provocative story of a lawyer who brews his own justice."

Users Review

From reader reviews:

Pearl Miller:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your condition; you can add your knowledge by the book entitled Exact Revenge. Try to stumble through book Exact Revenge as your good friend. It means that it can to become your friend when you truly feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortuned for you. Jolene Rivera:

Do you considered one of people who can't read gratifying if the sentence chained from the straightway, hold on guys that aren't like that. This Exact Revenge book is readable by you who hate the perfect word style. You will find the facts here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to give to you. The writer associated with Exact Revenge content conveys prospect easily to understand by lots of people. The printed and e-book are not different in the articles but it just different in the form of it. So , do you continue to thinking Exact Revenge is not loveable to be your top list reading book?

Terrie Newlin:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Exact Revenge can make you experience more interested to read.

Nila Cobb:

What is your hobby? Have you heard this question when you got college students? We believe that that query was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person including reading or as studying become their hobby. You should know that reading is very important along with book as to be the thing. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You discover good news or update in relation to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is Exact Revenge.
