Editorial Review

About the Author

Ingo Hilgefert has worked in the business intelligence (BI) industry for over 12 years, always on integrating SAP BusinessObjects BI solutions with SAP landscapes. He started with Crystal Decisions in Frankfurt, Germany, in 1999 as a trainer and consultant for Crystal Reports and Crystal Enterprise. In 2001, he became the program manager of a small team working in Walldorf at SAP's headquarters for Crystal Decisions. During this time, Ingo worked closely with the SAP BW development group and helped to design and shape the first integration of Crystal Reports with SAP BW, which then became an original equipment manufacturer (OEM) relationship between SAP and Crystal Decisions. In addition to his experience in product management and engineering, Ingo has been involved in building and delivering SAP BusinessObjects BI solutions combined with SAP NetWeaver for a number of worldwide customers. Recently, Ingo worked on BI end-to-end solution architecture, focusing on the SAP BusinessObjects BI portfolio and helping customers and partners successfully deploy this as part of their overall SAP landscape. His current focus is the integration of SAP BusinessObjects BI with SAP BW and SAP BW on SAP HANA.

Users Review

From reader reviews:

Patricia Smith:

Book is actually written, printed, or descriptive for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A guide Integrating SAP BusinessObjects BI with SAP NetWeaver will make you to possibly be smarter. You can feel much more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they could be thought like that? Have you trying to find best book or ideal book with you?

Donald Sams:

What do you think about book? It is just for students since they're still students or it for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby for each and every other. Don't to be obligated someone or something that they don't wish do that. You must know how great as well as important the book Integrating SAP BusinessObjects BI with SAP NetWeaver. All type of book is it possible to see on many resources. You can look for the internet options or other social media.
