Living the Dream - Joseph for Today: A Dramatic Exposition of Genesis 37-50 By Pete Wilcox

In a lively and gripping way Pete Wilcox opens up the story of Joseph in fourteen dramatic episodes. This is an informed guide to 'Joseph' but it is not an academic commentary. With a light touch and the sensitivity of one who has listened carefully to the biblical text Wilcox allows the narrative to unveil itself before us and to draw our own stories alongside its own. In this the way the ancient tale is made fresh for a modern western generation. The Joseph cycle is a story about coping with adversity and disunity which makes it the sort of text the church might usefully return to at present.
