## **The Modern Law of Evidence** By Adrian Keane, Paul McKeown

The Modern Law of Evidence is well established and relied upon as a lucid, engaging and authoritative guide to the contemporary law of evidence. This textbook provides concise analysis of the theory behind the law, with an emphasis on recent discussion and current topics. The ninth edition has been carefully developed and updated to ensure that it remains a thorough and reliable resource for readers.

This book is an ideal text for undergraduates and students studying on the BPTC or LPC. It has been cited with approval by the highest appellate courts, not only the House of Lords and the Privy Council, but also by courts around the world, including the Supreme Court of Canada and the United Nations War Crimes Tribunal in Rwanda, thus cementing its reputation as an excellent resource for practitioners and judges.
