By Barry Davies

The Spycraft Manual is unique. There has never been a book to reveal the secret 'tradecraft' techniques used by spies the world over - until now...The Spycraft Manual is a step-by-step instruction book on the tradecraft and skills that spies use. Each individual subject contains masses of fascinating information, all graphically illustrated with simple black and white line drawings and photographs. From the seven basic drills of agent contact to satellite surveillance, The Spycraft Manual is a perfect reference to the whole world of espionage.
