Becoming a Therapist: On the Path to Mastery By Thomas M. Skovholt

Praise for *Becoming a Therapist*

"This resource is filled with practical and personal advice, relevant stories, and examples, and reads more like help from a friend than a typical textbook."

—**Roberta L. Nutt, PhD, ABPP**, Visiting Professor and Training Director, Counseling Psychology Program, University of Houston

"Ah, now this is the book I wish had been available when I entered the field. Tom Skovholt has defined the initial experiences and followed the process through to the culmination of the therapeutic experience in a truly great book. *Becoming a Therapist* is a major contribution to our field."

—**Arthur (Andy) M. Horne**, Dean and Distinguished Research Professor, College of Education, The University of Georgia; President-Elect, Society of Counseling Psychology

"*Becoming a Therapist's* informal style is accessible and engaging and yet soundly grounded in evidence and in the wisdom Skovholt has developed through his career-long research on psychotherapists and their development."

—**Rodney K. Goodyear, PhD**, Professor, School of Education, University of Redlands; Emeritus Professor of Education (Counseling Psychology), University of Southern California

Essential guidance for mental health professionals navigating the start of their helping careers

Written for those entering a career in the helping professions, *Becoming a Therapist: On the Path to Mastery* explores the therapeutic career path for new practitioners, painting a vivid portrait of the novice therapist's journey.

This practical book guides you in using the helping relationship to improve the lives of others, whether your chosen profession is in counseling, clinical psychology, social work, school counseling, addictions counseling, family therapy, medicine, community counseling, pastoral counseling, or academic advising.

Destined to become the resource every new practitioner turns to again and again, *Becoming a Therapist* prepares you for the reality of what it means to be a beginning therapist, with relevant discussion of:

- The fifteen indispensable qualities of every mental health professional
- The unfolding practitioner self
- Self-care for burnout prevention and resiliency development
- The importance of culturally competent practice to practitioner expertise
- Practice, research/theory, and personal life: the practitioner's learning triangle
- The significance of peer relationships in the novice experience

Steeped in author Thomas Skovholt's years of experience, *Becoming a Therapist* thoroughly and clearly illustrates the excitement, intensity, anxiety—and, ultimately, the satisfaction—you can expect as a helping professional.

About the Author

THOMAS M. SKOVHOLT, PhD, ABPP, is a professor in the counselor training program at the University of Minnesota and a licensed psychologist. He teaches the practicum course for MA and doctoral students and the supervision practicum course for doctoral students. His research and writing is on practitioner development and includes practitioner resiliency, developmental phases, master therapists, and struggles of the beginner. He is board certified by ABPP, a Fellow of APA, and a member of the Academy of Distinguished Teachers at the University of Minnesota. His international experiences include a Fulbright year in Turkey and teaching in Singapore.

Users Review

From reader reviews:

Raymond Harris:

Typically the book *Becoming a Therapist: On the Path to Mastery* will bring you to the new experience of reading a book. The author style to spell out the idea is very unique. In the event you try to find new book to see, this book very suited to you. The book *Becoming a Therapist: On the Path to Mastery* is much recommended to you to study. You can also get the e-book in the official web site, so you can quickly to read the book.

Maria Abel:

People live in this new day of lifestyle always attempt to and must have the spare time or they will get lot of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we question again, what kind of activity do you have when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, often the book you have read will be *Becoming a Therapist: On the Path to Mastery*.

Millard Lopez:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this *Becoming a Therapist: On the Path to Mastery* can make you sense more interested to read.

Leonard Jones:

Reading a guide make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is composed or printed or descriptive from each source that will filled update of news. On this modern era like now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just trying to find the *Becoming a Therapist: On the Path to Mastery* when you necessary it?
