Managing Human Resources: Productivity, Quality of Work Life, Profits (Irwin Management) By Wayne Cascio

Managing Human Resources is for the general management student whose job inevitably will involve responsibility for managing people. It explicitly links the relationship between **productivity, quality of work life, and profits** to various human resource management activities and as such, strengthens the students' perception of human resource management as an important function, which affects individuals, organizations, and society. It is research-based and contains strong links to the applicability of this research to real business situations.

Editorial Review

About the Author

Earned his B.A. degree from Holy Cross College in 1968, his M.A. degree from Emory University in 1969, and his Ph.D. in industrial/organizational psychology from the University of Rochester in 1973. Since that time he has taught at Florida International University, the University of California/ Berkeley, and the University of Colorado/Denver, where he is at present Professor of Management. He has served president both of the Human Resources Division of the Academy of Management and of the Society for Industrial and Organizational Psychology. In addition to hosting an annual week-long conference on international human resource management at the University of Colorado, Professor Cascio has consulted on five continents with a wide variety of organizations in both the public and private sectors on HR matters. He also periodically testifies as an expert witness in employment discrimination cases. Professor Cascio is an active researcher and is the author or editor of five books on human resources management.

Users Review

From reader reviews:

Gayle Collins:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that book has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are really reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, man or woman feel need book if they found difficult problem or even exercise. Well, probably you will require this Managing Human Resources: Productivity, Quality of Work Life, Profits (Irwin Management).

Michael Naylor:

Nowadays reading books become more and more than want or need but also become a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one with theme for entertaining such as comic or novel. Often the Managing Human Resources: Productivity, Quality of Work Life, Profits (Irwin Management) is kind of book which is giving the reader unforeseen experience.

Kathryn Sheffield:

Precisely why? Because this Managing Human Resources: Productivity, Quality of Work Life, Profits (Irwin Management) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write

the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking method. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Joyce Cannon:

What is your hobby? Have you heard that question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the point. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update concerning something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is actually Managing Human Resources: Productivity, Quality of Work Life, Profits (Irwin Management).
