Me Before You: A Novel By Jojo Moyes

#1 New York Times bestseller, and major motion picture. Read the sequel *After You* and Jojo's new book, *Paris for One*.

They had nothing in common until love gave them everything to lose . . .

Louisa Clark is an ordinary girl living an exceedingly ordinary life—steady boyfriend, close family—who has barely been farther afield than their tiny village. She takes a badly needed job working for ex-Master of the Universe Will Traynor, who is wheelchair bound after an accident. Will has always lived a huge life—big deals, extreme sports, worldwide travel—and now he's pretty sure he cannot live the way he is.

Will is acerbic, moody, bossy—but Lou refuses to treat him with kid gloves, and soon his happiness means more to her than she expected. When she learns that Will has shocking plans of his own, she sets out to show him that life is still worth living.

A Love Story for this generation and perfect for fans of John Green's *The Fault in Our Stars*, *Me Before You* brings to life two people who couldn't have less in common—a heartbreakingly romantic novel that asks, *What do you do when making the person you love happy also means breaking your own heart?*

Editorial Review

Amazon.com Review

Amazon Best Books of the Month, January 2013: Before Louisa met Will, her plans didn't reach beyond their tiny English town. Will, when he wasn't closing multimillion-dollar deals, blew off steam scaling mountains, leaping from planes, and enjoying exquisite women--until an accident left him paralyzed and seriously depressed. When his mother hires Lou to keep his spirits up, he meets her awkward overtures with caustic contempt, but she's tenacious and oddly endearing. Their fondness grows into something deeper, gaining urgency when she realizes his determination to end his life, and her efforts to convince him of its value throw her own bland ambitions into question. Plumbing morally complex depths with comedy and compassion, Jojo Moyes elevates the story of Lou and Will from what could have been a maudlin weepie into a tragic love story, with a catharsis that will wring out your heart and leave you feeling fearless. --*Mari Malcolm*

From Booklist

In *The Last Letter from Your Lover* (2011), Moyes presented a heavily plotted novel that spanned decades and featured parallel romances. Her newest work dials down the intricacy, and the result is a far more intimate novel. Moyes introduces us first to Will Traynor, a formerly high-flying, thrill-seeking executive now confined to a wheelchair as a quadriplegic. Twentysomething Louisa "Lou" Clark has been hired as his caretaker, despite a total lack of experience. As the prickly Will and plainspoken Lou gradually warm to each other, she learns that the six-month length of her contract coincides with the amount of time Will has agreed, for his parents' sake, to postpone his planned assisted suicide, a subject Moyes treats evenhandedly. Armed with this information, Lou sets about creating adventures for Will, hoping to give him a reason to live. Simultaneously, Will encourages Lou to expand the expectations of what her life could be. All signs point to romance and a happy ending for the pair, but Moyes has something more heartbreakingly truthful in mind: Sometimes love isn't enough. --Patty Wetli

Review

"Jojo Moyes has written the perfect modern love story. You will be astonished at what you feel, and what you hope for when you are forced to face the possibility of your own dreams. It's "that" good. Read it now."
--Adriana Trigiani, "New York Times" bestselling author of "The Shoemaker's Wife"

"Some books make you stop and think, compel you to examine your own take on life or your position or stand on an issue. Jojo Moyes' *ME BEFORE YOU* will surprise you--it is impossible not to put yourself in the characters' shoes and you will find yourself thinking about the choices you might make if life changed in an instant. I loved it."

--Lee Woodruff, "New York Times" bestselling author of "In an Instant"

"*ME BEFORE YOU* is a delicious surprise--funny and hopeful and heartbreaking, the kind of story that will keep you turning pages into the night. Lou Clark and Will Traynor will capture your heart and linger there long after their story has ended."

--Eleanor Brown, "New York Times" bestselling author of "The Weird Sisters"
